SUSTAINABILITY PARTNERS

HAND IN HAND
SWEDEN

About: Hand in Hand Sweden fights poverty through entrepreneurship. We empower women and youth with skills, training and access to microfinance so they can start and grow small businesses. The result: stronger families, thriving communities and lasting change.

For Students: Welcome to Hand in Hand's booth at Dagen I, to take our quiz, win prizes, explore how you can engage through volunteering and collaboration, and learn how entrepreneurship empowers people and lifts communities out of poverty through sustainable change.

For Companies: Join Hand in Hand in creating lasting change. Through partnerships, funding and expertise, your company can support women's entrepreneurship and sustainable livelihoods. At Dagen I, connect with Hand in Hand and students from KTH and help build stronger communities together.
